Hello, All –

I spoke with Dat Quach and left a message for David Barker about this meeting, stemming from our joint inspection of the Armstrong Egg Farms facility. During the discussion, we would like to go over our inspection findings and concerns, and discuss potential actions to follow up on these concerns. I don't have access to your calendars down there, so please feel free to propose another meeting time if this doesn't work for you.

Thanks,
Kristine Karlson
